

## NEXTING SMALL DESK

DESIGNER MATTEO MUGNAI

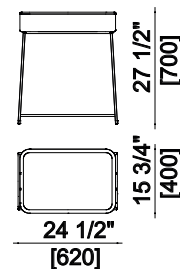

NEXTING TABLES is a collection of side tables and bed side tables in different sizes, located at living and night area with different uses of them. Simple aesthetics exalts craftsmanship and intrinsic quality of materials.

NT.06 is not just a coffee table but also a small desk perfect for smart working. In addition to useful top, there is also a storage compartment, where everyday objects or a laptop can be located. The top that closes it, becomes a tray to service of sofa and / or bed.
